Dear Mrs. Natsuhara:

I am writing this letter to express my thanks to Mrs. Cooke and Mrs. White for all their patience, thoughtfulness and guidance throughout the year. They have made such a strong positive impact on Corinna, she was very lucky to have such wonderful teachers. I would also like to thank the other teachers who were involved with Corinna throughout the year, and to Mrs. Slute who always makes a visit to the office a pleasant one. It's a wonderful environment you have created for the students and we always speak highly of the school to our friends and family.

Corinna truly loves going to school and is disappointed on the days she cannot. She really enjoys interacting with all the teachers and students. At the beginning of the year she was quiet and reserved, but now appears much more confident and outgoing as a result of all the exposure she's had with the teachers and students throughout the year.

We look forward to enrolling our son, Aaron, next year.

Sincerely,

A handwritten signature in cursive script that reads "A Lyon". The signature is written in black ink and is positioned above the printed name.
